William Carney, assignee of Edward Murray 1,000 f on Bayou Pierre
Spanish, 8-20-1795

Know all men by these presents, that I Joshua Carney of the County of Baldwin, Alabama Territory, being sick in body but of sound mind and memory, do make and ordain this my last will and testament hereby revoking all others. In the first place I wish my family to live together and on the property in common, and increase the value of it by purchases of land or otherwise until some of them may want a dividend & for this purpose I leave all the property to my wife Sarah during her natural life. But in case she should have a desire to separate from the family, or should a general division of property take place, she shall then receive an equal dividend in the same manner with my daughters hereafter specified. — Secondly I will my lands lately obtained by Spanish grants from Frontett and Cheating to my three sons Thomas B. Carney J.W. Carney and Richard Carney and my town lots in Jackson and Florida to my daughters Martha Carney, Mary Carney, Nancy Carney, Elizabeth Carney and Lydia Carney at the death of my wife. But it is to be understood at all times, should any of my family wish to separate from the others, the whole of my property, real & personal is then to be valued by such disinterested persons as they may think proper to nominate and he or she so separating shall receive an equal dividend of such valuation at that time as the appraisors may think just. only that my sons shall have the exclusive right of keeping to themselves my landed property before mentioned they paying an equivalent dividend thereof in money or property as may be agreed upon by the parties to my daughters and that my daughters shall have an exclusive right of retaining to themselves my lots in the town of Jackson & Florida.

I now nominate and appoint my beloved wife Sarah Carney my executrix and my son Thomas B. Carney Executor to this my last will and testament, this fifth day of August in the year of our Lord one thousand & eighteen.
In testimony whereof I have hereunto set my hand and seal.

may see this act, that I, Thomas Carney, native of Maryland, in the United States of America and at present residing in the district of Feliciana, legitimate son of Thomas Carney and Isabel, belonging to the Catholic religion, in which I have lived and I wish to die, being eighty-six years old and sick, believing that all men will die sooner or later, and being of sound mind, which the Lord saw fit to give me, I have decided to make my testament and last will in the following form:

First, I entrust my Soul to the Creator of all Things, who gave it to me and redeemed it, so that His Divine Being forgive and pardon it and take it to Eternal happiness. I hereby ask forgiveness from whoever I might have offended or injured and I heartily pardon all my enemies.

Item: It is my will that three masses be said for the redemption of my Soul and that twenty hard pesos from my property be given to help the construction of the church in this district, in case that this be not built within two years after my death, or to be more specific, if the said church is not built [p. 813] within two years from the date of my death, the said twenty pesos will be divided between three Catholics in the post of this district in equal shares, upon their praying God for my Soul.

Item: I declare that I do not owe anything to anyone that I remember of, but in case that any just debt might appear against me or my heirs, it is my will that it be paid, as well as all debts owed to me in this district be collected as well as one hundred pesos owing to me by William Ellis, a resident of Wallistown County in the province of Tennessee in the United States of America, from whom I have no other obligation but his word.

Item: I declare to be married to Sarah Pemberton of which matrimony there are nine children to-wit:

Isabel, John, Mary, Sarah, Margaret, Thomas, Isiah and Daniel of which one died single and the remaining eight being majors, seven of them being married and the eighth, Mary left the paternal protection living today in the same state in the said province of Tennessee, as well as John, Isabel and Margaret. And there remaining four who are Ann, Sarah, Thomas and Daniel, the first being married in New Madrid and the other two are present in this district.

Item: I further declare that my eight living children

[Four lines defaced]

only my son Daniel who has lived with us until the pre[p. 814]
sent has not received anything from his mother.

Item: I declare that my present property consists of a negress named Lety with her two sons and a daughter, the first named Pompoo,

nine years old and Manzo, five years old, and the negro girl named Darks, four months old. Also two hundred pesos owed to me by different persons, which are those already named above and the others are residents of this district who are known to my wife and children, and besides some furniture of very little value, those being beds, clothes and some other property of small value.

Item: It is my will that after the charitable donations, expenses of my funeral, those of my deceased and any other just debts be paid, the remainder of my property be divided in two equal shares, one to be given to my son, Daniel Carney, and the other to my beloved wife, Sarah Pemberton, to have and to hold and having in consideration that the share going to Daniel is not equal to those received by the other children, not having any document of legal paper in hand and wishing that the said Daniel be not prejudice in that share of the property that might belong to him as well as any improvements that he might want to make on them.

[The top of this page 815 is illegible]

Item: It is my will to name and I hereby name my beloved son Thomas Carney as my only testamentary executor.

Last: it is my will that the said plantation and all other proceedings be made extrajudicially unless that due to some arrangement between the mother and son it be to her advantage to make it any other way.

In testimony of which this instrument is executed in the District of New Feliciana on the eighteenth day of July, 1801.

I, Don Vicente Pintado, Cavalry Captain of the Royal Legion of the Mississippi, Military Commandant of this Post and Alcalde of its First Division, certify that I know the grantor who, not knowing how to write, made his mark, being witnesses James Raoul, Patrick Tegart, Edmund Hawes and James Cooper, all resident of this district.

Dear Jean,-- Just as I had mailed the letter to you yesterday, a letter came from the N.O. Clerk where I had requested the succession papers. Now, it seems, records have been moved around- so here is what they say: City of N.O. Public Library 219 Loyola Ave, N.O. 70140 has all Civil Court cases for N.O. 1805-1900. Prior to 1803 the Spanish Judicial Records are housed at the La. State Museum, 751 Chartres St., N.O. 70116. So round and round we go, but am passing this info to you for your early La. info you are trying to obtain. Hope this will bring what we want, but I am even glad they answer the letters of inquiry and refer to another source as some places do not even do that.

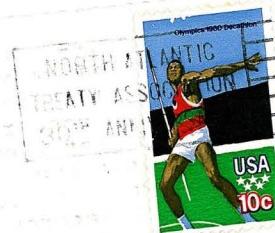

Best wishes,

Virginia Norman

1 Dear Jean,

2 Please forgive me for this late reply.

3 This is the 3rd letter I have started!

4 Sept has been a bad month for me.

5 And I wanted to look at more records
6 before I answered your letter. It is hard
7 to find the time for this. I live in
8 a small town and it is 25 miles to
9 the nearest court house or library.

10 Today I went to Weynesboro, Miss.

11 I took a few minutes to stop by the

Mrs. Jean Strickland,

I found you ad in the June issue of the Miss. Genealogy & Local History. I'm searching a Carney line too. Peter Carney born about 1765 in North Carolina was a Choctaw Indian. He married a woman whose last name was Carney and that is how he got his English name. The thing that really caught my eye was the request for a 1831 Indian Census! That made me wonder if you are searching the same Carney line? Peter Carney & his wife had 2 children; female name not known & a son John Carney born about 1795. I have names from John Carney on down to my g-grandmother's family. If you are interested please answer my letter.

Enclosed you will find a stamped self addressed envelope.

Thank you
Dorrell Bozeman

PS I forgot to mention Peter Carney signed the Dancing Rabbit Creek Treaty of 1830 & later moved to a ~~Choctaw~~ Reservation in Oklahoma.

Dear Mrs. Strickland:

The original records of the Spanish West Florida Archives, 1782-1810, are housed in the record room of the 18th Judicial District Court, Baton Rouge, Louisiana. The typed, translated copies in this library refer to the name Thomas Carney in three instances. However, these three documents do not pertain to the succession of Thomas Carney. They are:

Vol. XIII, page 75 - Sale of land from Archibald Brooks to James Pirrie, land formerly owned by Thomas Carney.

Vol. XIII, page 274 - Deposition of Benjamin Richardson, Thomas Carney signs as witness.

Vol. XVI, page 103 - Inventory of the property and effects of David White, Item 62 - Order signed by Thomas Carney.

These three pages can be copied for you for \$1.50. If interested, please advise.

Sincerely,

Gentlemen:

Recently I saw an Index to the Spanish West Florida Records 1782-1810. I understand that these records are housed in your library.

These records contain the Succession of Thomas Carney one of my ancestors. I would like very much to obtain a copy of this succession. It is located in Vol. XIII, page 75, 274 and Vol. XVI, page 103.

Is it possible to obtain a copy of these records from you? If so please advise cost so that I may send my check by return mail. A self addressed, stamped envelope is enclosed for your convenience in replying.

Your consideration and assistance is certainly appreciated. Thank you.

Dear Mr. Boone:

Recently while I was at the archives in Jackson doing research on my family, I found your name as researching the Carney family.

I am trying to find out the mother of Martha Strickland Stinson who according to family tradition was Patsy Carney (sometimes spelled Kearney). Martha Strickland Stinson was born in Mississippi, Probably Wayne County, about 1810. I am unable to find out who her father was. She married Preston B. Stinson born S.C. around 1837.

Sometimes the family have said that Martha Carney was part Indian. I have found many Carneys among the Choctaws, but can not place her.

Wayne, Greene, Jones and Perry Counties are hard to research as so many records no longer exist.

My Carneys reputedly came from North Carolina, but again this is family tradition.

During the years we have accumulated a very large amount of Carney information and would be happy to share any of it with you. I would appreciate hearing from you. A self-addressed, stamped envelope is enclosed. Thank you.
